

Face in Space

You Are Go For Launch!

[Print This Page](#)

Congratulations! NASA appreciates your interest in space flight. You have completed the steps to submit your face or name to fly in space. Your mission details are below. Welcome aboard!

If you would like a printed certificate verifying your flight into space, return to the Face in Space website after landing at <http://faceinspace.nasa.gov> and select the Flight Certificate button from the top menu.
